

M.ROHAAN ZAHID

AI PROGRAMMER

ABOUT ME

I am a passionate and dedicated AI Programmer currently pursuing a BS in Artificial Intelligence at Sir Syed CASE Institute of Technology. With a strong interest in Artificial Intelligence, Software Development, and Cyber Security, I am focused on building secure and intelligent systems. I have practical experience with C/C++, C#, Python (basics), HTML, and CSS, and continue to expand my knowledge in Network Administration and modern development tools. I am committed to continuous learning and solving real-world problems through technology.

SKILLS

Technical Proficiency

- ✓C/C++ Programming
- ✓Python Basics
- ✓HTML Basics
- ✓C# Basics

Software & Tools

- ✓MS Word
- ✓MS Excel
- ✓PowerPoint
- ✓AI/ML Frameworks (Basic)

Core Competencies

- ✓Problem Solving
- ✓Critical Thinking
- ✓Communication Skills
- ✓Process Flow Analysis
- ✓Detail-Oriented

EDUCATION:

Sir Syed Case University:

1st Semester:

- Learning web development
- Advancing programming with C++ and basics of Python.

2nd Semester:

- Learning database working using phpMyAdmin.
- Advancing my skills in C++ and C#.

3rd Semester (Ongoing):

- Currently engaged in advanced topics and projects.

Punjab College:

HSSC 1 & 2 (2022 - 2024):

- Obtained 689 marks (62% out of 1100 total marks).
- Opted for ICS (Intermediate in Computer Science) with Physics and Math.

SLS High School:

- Matriculation Degree awarded in FY 2022.
- Obtained 844 marks (79% out of 1100 total marks) in CS.

PROJECTS

AIRLINE RESERVATION SYSTEM:

- Developed a console-based Airline Reservation System in C++ using VS Code.
- Implemented core features like ticket booking and cancellation.
- Designed a user-friendly command-line interface
- focused on data handling and user experience.

JF-17 AEROPLANE SHOOTING GAME

- Created an interactive aeroplane shooting game "JF-17" using C# in VS Code 2022.
- Developed game mechanics, player controls, and enemy AI.
- Applied object-oriented programming principles for structured design.

ONE DOLLAR SHOP:

- Designed user interface and experience.
- Implemented product display and basic shopping cart features.
- Managed product data and user information.

MY PORTFOLIO WEBSITE:

- Designed and developed responsive UI using HTML and Tailwind CSS.
- Implemented EmailJS for the contact form functionality.
- Features a Chatbase AI assistant for interactive inquiries.
